Hotel and Restaurant

## Responsible Visitor Charter

1. Conserve Energy – reduce energy by switching off lights and closing windows if the heating is on. (the energy saving trust provides information on what you can do at home)
2. Give the Car a Rest – leave the car behind, if only for a day. Use our Short Walks from Cedar Manor (or longer if you like). Hire a bike from “Country Lanes” Windermere Railway Station, or get a bus from outside the gates. Timetables and ideas in reception
3. Shop Local – use local products, they give you a flavour of the area and help support local communities. Cumbria and North Lancashire have some fantastic producers of food, drink, arts and crafts – ask for ideas, local markets and information about our regional organic products
4. Reduce, Reuse, Recycle – try to avoid overly packaged goods and say no to that extra carrier bag. Try and recycle any waste you have (leave it in reception or your room and we will do it for you!)
5. Be Water Wise – please use water wisely. Turn off the tap when brushing your teeth, adhere to towel policies and our other water saving initiatives
6. Respect Nature – help us to look after the landscape and wildlife by not littering, guarding against fire and using footpaths and cycle-ways responsibly
7. Support Green Tourism Businesses – there are hundreds of businesses trying to reduce their environmental impacts through the Green Tourism Business Scheme. Businesses are awarded Bronze, Silver or Gold for their efforts to be more environmentally responsible. See [www.green-business.co.uk](http://www.green-business.co.uk) for more information.

**And most importantly, have a great time whilst you are here, we'd love you to come back!**
